

How to Gain Access to WinFlex Web through FIG

- Go to www.winflexweb.com
- Click on Register Now.
- On the next screen it will ask for you to enter a username and complete the profile information. ** Make sure to complete the information where the red errors are showing. **
- Once you complete the profile information click submit.
- Next page will be “Agency/BGA Selection”.
- Enter into the search engine “Financial Independence Group Inc”.
- Select Financial Independence Group Inc. and then click on continue registration.
- Next screen will show the companies in Financial Independence Inc. profile. * These are companies that are available through FIG on WinFlex Web.*
- Click complete Registration button once.
- After registration is completed, WinFlex Web will send an email to you with a temporary password.

** Note: You may login to WinFlex Web, however, you will only be able to access the “Profile” section until you have received approval from Financial Independence Group Inc.**
